

ESSAY COMPETITION

A CHANCE TO MEET GAS INDUSTRY TOP CEOS, IN PERSON!

The International Gas Union World Gas Conference 2012 (WGC2012) is proud to present **The Youth Roundtable Forum**. We are inviting youths from all around the globe to participate in an essay competition which may be your golden ticket to meet in person, the high profile leaders of the gas industry, to discuss the industry's pressing global issues. If you are selected, you will represent all youths around the world and stand a chance to travel to beautiful Malaysia, fully/partially sponsored by the organizers!
